

Jackpot Joe's Cash Wednesdays
MEGA CASH DRAW Promotion
Terms & Conditions

1. The Jackpot Joe Mega Cash Draw promotion will be held on a Wednesday at SKYCITY Darwin between 7pm and 8pm.
2. The Jackpot Joe's Mega Cash Draw prize starts at a minimum of \$10,000 cash, with the prize value increasing by \$1,000 for each consecutive week that it is not won, up until it reaches a maximum of \$20,000.
3. If the winner is present and claims their prize, then the following week's jackpot starts again at \$10,000.
4. Only Action Members are eligible to win. Action Members will be entered in the draw automatically if they have used their Action card at SKYCITY Darwin during the past 31 days up until 6pm on the night of the draw.
5. One Action card number will be randomly selected each Wednesday between 7pm and 8pm using the Jackpot Joe software.
6. The compere will announce the players Action number three times over the public address system and that player will have three minutes to present themselves to the compere. The three minute period will begin after their Action card number has been called three times.
7. The person must be present at SKYCITY Darwin to win the jackpot and must proceed to the draw area and present their Action card to the compere.
8. The compere will verify the players' identification by checking their Action membership card, plus their government issued photo identification if required to ensure that person is the same person whose Action membership number was randomly selected.
9. The card holder must be present to win. Action Membership Cards are not transferable and prizes will not be issued to other persons who present Action cards on the Action member's behalf.
10. If a number is drawn and the person fails to present themselves to the compere within the time specified, the compere will then announce that there is no winner and the jackpot for the following week will be increased by \$1000. Should the Jackpot reach the \$20,000 maximum, it must be given away; therefore the compere will continue to draw numbers using the same draw process until a winner is found.
